## IN SHORT ABOUT THE RULES

### WHICH VEHICLES HAVE LIMITED PARKING?

Vehicles with a total weight exceeding 3500 kg (trucks and buses),

### WHERE VEHICLES MAY BE PARKED?

147 parking spaces are established in the City of Aarhus and this folder specifies where the designated spaces are located. Heavy vehicles exceeding 3500 kg can park on special boundaries and places without time limit. Outside of densely built-up areas bounded by city signs E55, it is permitted to park in the period from 6 am to 6 pm on weekdays. Applicable traffic rules must be observed.

### WHEN DO THE LIMITATIONS APPLY?

In the period from 18.00-06.00 o'clock on weekdays and round the clock in the weekend and on public holidays. In these periods heavy vehicles and trailers must only park on the designated spaces (see the overview next page).

### WHERE CAN I FIND OUT MORE ABOUT THE RULES?

The rules are laid down in "Notice on stopping and parking in the City of Aarhus". Here it is also indicated that a breach of these rules, in accordance with the road traffic act section 121, may be subject to a levy. The notice can be found at: <http://www.aarhus.dk/info-tunge-koeretoerjer>.

### ARE THERE NO PARKING SPACES?

If there is a need for additional spaces, you are welcome to contact us.

# PARKING SPACES FOR HEAVY VEHICLES OVER 3500 KG

In cooperation with the police, the City of Aarhus has introduced parking limitations for heavy vehicles to improve the environment and the road safety in Aarhus.

Aarhus City Council has therefore decided that the parking ban be extended to all urban communities covered by the urban area traffic signs in the City of Aarhus.
