

Boost your CV

Did you know that your Jobnet CV help you get your next job?

Your Jobnet CV is not just a formality – it is a actively used in recruitment by both employers and job consultants. A strong and complete Jobnet CV improves your chances of being noticed and invited for a job interview.

In this workshop, we help you strengthen your Jobnet CV. If your Jobnet CV is already in place, you can use the time to work on your personal CV instead.

You work at your own pace with support from two consultants.

Important

Make sure you have access to your Jobnet CV. Bring your own laptop/tablet/USB drive. If you don't have a laptop, you can borrow a computer from the Jobcenter.

The workshop is in English.

The workshop lasts 2.5 hours and has space for a maximum of 8 participants.
