

## Workshop in english

# From international graduate to Danish employee

## Enter the Danish job market successfully

Knowledge of Danish workplace culture and how to navigate within it is important to gaining access to the Danish job market. Through presentations and practical exercises the workshop will help you become culturally fluent.

### We will focus on:

- Gaining a deeper understanding of Danish culture
- Increasing your awareness of your own culture and the interaction with the Danish culture
- Optimizing your presentation of qualifications and skills
- Improving your performance in a Danish job interview - an important cultural ritual
- Networking

### Please bring your CV
